

# York Region Law Association Presents

12th Annual Family Law Summit

April 9 & 10, 2018

Dear Family Law Practitioners:

The Family Law Committee of the York Region Law Association has received a number of inquiries regarding the live webcast of the Law Society of Ontario's CPD Program "[The Family Law Summit](#)" airing on April 9<sup>th</sup> and 10<sup>th</sup>. This program will give you all of your hours for the year.

Although we do have the space and availability to do the live webcast of the Program, we realize that this would essentially eliminate the use of the lounge for other members for 2 full days. It would also increase the cost of the program to bring in food to sustain you throughout the day.

We are willing to facilitate a group rate for the program for those who are interested. The goal is to get 11 active participants which would bring the cost of the program to approximately \$325.00 per person (including tax), which is a savings of \$200.00. Less than 11 participants would still give you a discount off the price, but not as great.

You would be able to watch the program from the comfort of your office or home and you would have access to the archived program at a later date. This is convenient if your schedule does not allow for the original airing date but you still wish to watch the program.

Please indicate your interest and commitment in participating in this group rate by clicking on this link by April 2<sup>nd</sup>, 2018. We will register you with the LSO and invoice you at that time.
